

LOWER MOSS WOOD

EDUCATIONAL NATURE RESERVE

School Lane, Ollerton, Knutsford, Cheshire WA16 8SJ
Telephone: 01565 755082 Map Reference: S.J 781 751

Lower Moss Wood has a unique approach to wildlife and environmental education. A walk through the wood guided by warden Ray Jackson MBE opens up a whole new world. An informative and amusing experience which children will never forget. Ray has over 20 years experience and is passionate about wildlife.

Learn how to identify the birds by their song.

Be a detective and discover the secrets of who lives in the wood by decoding the signs that they leave behind.

Delve into the depths of the murky waters of the pond to see what lies beneath.

- Work out the food chain from the microscopic creatures to the top predator.

We cater for classes of up to 35 children. Visits start at 10am and finish at 2.30pm. We have a small shop with items ranging from 50p to £5.

A TYPICAL DAY
